

The dessert as an extra!

Reka-Lunch – the favourite fringe
benefit for discounted catering

WITH REKA YOU GET MORE.

reka

Reka-Lunch

Discounted catering with zero administrative hassle

What?

With Reka-Lunch you share your staff members' catering costs.

Why?

Discounted catering is one of the most popular fringe benefits.

How?

Reka-Lunch is an electronic currency earmarked for catering. The practical prepaid card can be used as payment in many company cafeterias, restaurants, take-aways, bakeries, hotels and motorway restaurants.

UNIQUE REKA

Advantages for companies

- ✓ You have a well-designed, comprehensive package, exempt from social contributions and taxes.
- ✓ You can offer Reka-Lunch as currency for your own cafeteria or as an attractive alternative to canteen catering.
- ✓ We relieve you of any administrative hassle.

Advantages for your staff

- ✓ An attractive fringe benefit that can be used daily and on an individual basis.
- ✓ Reka credit can be spent easily and conveniently with the Reka-Card.
- ✓ Up to CHF 180.– per month Reka-Lunch is free from tax and other duties.

Your advantages at a glance

A welcome extra that doesn't mean any more work for you!

As an employer you offer a meaningful fringe benefit with Reka-Lunch. It is equally appreciated by apprentices and management thanks to its wide variety of redemption possibilities.

Personalized

You decide the discount, the quota for each employee and the type of processing.

Tax- and duty-free

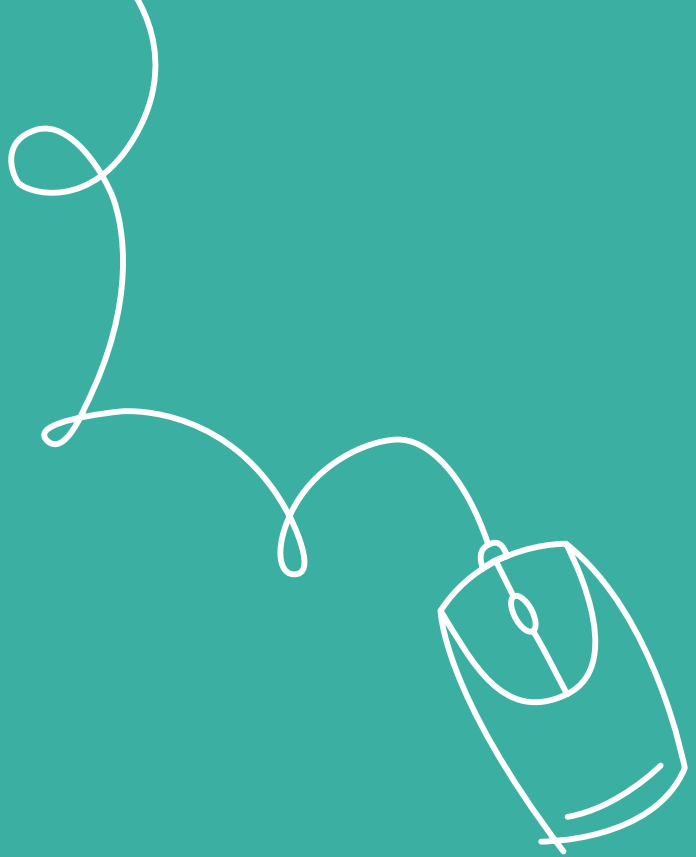

Up to CHF 180.– per staff member and per month Reka-Lunch is exempt from taxes or social contributions.

Easy and time-saving

You manage everything online – from the establishment of quotas to the registration and administration of staff members, as well as the release of the benefits.

Costs are incurred only when used

You only pay for Reka-Lunch when the fringe benefit is actually used by the staff members.

Online calculator

Calculate your individual offer online now

Would you like to know exactly how much the system will cost? Using our online calculator and a few simple entries you can calculate various discount levels and quotas. As soon as you have found a suitable offer you can download it as a quote and conclude directly online.

Find the right offer with the online calculator:
